

Holiday Giving

There is no place like home for the Holidays. However, for many families experiencing the nightmare of sick and injured children, our local Ronald McDonald House or Ronald McDonald Family Rooms will be home this Holiday Season.

Please make us a part of your Holiday Giving!

- Our services alleviate huge financial burdens for families-so they can focus on the well-being of their sick child.
- No family is ever turned away for inability to pay.
- Over 80% of our income is generated by donations and your tax-deductible contributions stay local to help families in our area.

Examples of Giving:

\$100 will support a family to stay at the Ronald McDonald House for one night.

\$50 may support a family to stay in the Ronald McDonald Family Room for one night.

\$30 may provide paper goods in the Ronald McDonald House® & Ronald McDonald Family Rooms® for one day.

\$20 may support hospital visits by Jax our Therapy Dog to cover his food, supplies and training expenses for one week.

Be a blessing this Holiday Season and donate today!
